

Satellite Meetings

INDUS- EM 2010 is supporting Pre and Post Summit Satellite Academic Meetings in Haryana and Pune where many of the INDUS faculty will be participating in Research and Development Meetings, Lectures and workshops.

The INDUS-EM Team continues to work with Governmental Institutions and MCI recognized Medical Colleges. The active participation of the INDUS faculty thus fortifies the efforts for developing Academic Emergency Medicine and Trauma Care in India.

Government supported Health Institutions and MCI recognized Medical Colleges provide the right environment for training, education, research and clinical exposure in order to develop academic emergency and trauma sciences in India.
